### *About Us*

With over 20 years of industry experience, UNITED MODE TRADING stands as a formidable leader in the construction and industrial sectors. Our deep-rooted expertise equips us to navigate the complexities and demands of these industries, ensuring that we deliver superior materials and unwavering support for every project.

We are firm believers in the power of collaboration and the importance of forging enduring partnerships with our clients. Our team of seasoned professionals is dedicated to supplying a comprehensive range of materials, precisely tailored to meet the exacting demands of construction, events, and industrial applications.

At UNITED MODE TRADING, our mission is to be your reliable and resolute partner, delivering not only high-quality products but also unmatched service with guaranteed punctuality. We stand ready to support your projects from inception through to successful completion, always with an unwavering commitment to our customer's satisfaction.

Thank you for choosing UNITED MODE TRADING as your trusted supplier. We are committed to playing a pivotal role in the continued success of your projects and delivering exceptional results.!

### *Our Mission*

At UNITED MODE TRADING, our mission is to be your steadfast partner in the project material trading industry. We are dedicated to delivering reliable service and ensuring the timely provision of materials that cater to the diverse needs of our clients in the construction, events, and industrial sectors. Our commitment lies in fostering enduring relationships founded on integrity, transparency, and shared success.

### *Our Vision*

Our vision is to set the benchmark as the premier provider in the project materials sector, celebrated for our vast selection and exemplary service. We constantly innovate and adapt to client needs, ensuring our solutions are not only relevant but industry-leading. Through a commitment to excellence and customer focus, we're driven to support the success of every project we supply.

## Building and Construction Materials

UNITED MODE TRADING provides a wide range of premium building and construction materials for projects of all sizes. We source only from trusted suppliers to ensure durability and reliability, backed by expert support at every project stage.

- General construction materials
- Temporary fencing solutions
- Aggregates (sand, gravel, etc.)
- Cement and concrete blocks
- Block & plastering work accessories
- Construction chemicals & adhesives

## Commercial Steel & Accessories

We offer premium-grade steel and accessories for construction, industrial, and event sectors. These materials ensure strength, durability, and precision for all project needs.

- Structural steel (I-beams, channels, angles, HSS)
- Steel sheets and plates (various thicknesses)
- Pipes and tubing (round, square, rectangular)
- Steel fasteners and accessories

## Timber and Plywood

Our timber and plywood materials combine natural strength and aesthetic appeal, perfect for framing, flooring, and event setups. These materials meet both structural and decorative needs.

## Scaffolding and Accessories

We supply scaffolding systems designed for safety and stability, essential for construction and industrial projects. Our systems are easy to set up and meet safety standards.

- Cuplock, aluminum, and Ring Lock scaffolding
- Ladders, base plates, braces, jack props, couplers

## Fire, Health & Safety

Our fire, health, and safety products help ensure compliance and protect your workforce across various sectors. We offer reliable solutions to reduce risks and maintain safety.

- Fire extinguishers, smoke detectors, first aid kits
- Personal protective equipment (PPE):
- Safety uniforms, helmets, gloves, respiratory protection
- High-visibility vests, safety shoes, goggles, harnesses
- Ear protection, warning tape, traffic cones

## Cables and Wires

We provide high-quality cables and wires for electrical installations in construction, industrial, and event sectors. Our products meet safety standards and offer dependable performance.

- Power cables, control cables, and flexible wires
- Copper and aluminum wiring
- Specialized cables (fire-resistant, low-voltage, high-temperature)

## Electrical and Plumbing

Electrical and Plumbing

UNITED MODE TRADING offers a wide variety of electrical and plumbing materials, ensuring safe and efficient installations. Our products are ideal for both residential and industrial use.

- Wiring, conduits, circuit breakers, switches
- Junction boxes, connectors, and panelboards
- PVC, UPVC, CPVC, HDPE, and PPR pipes
- Fittings, valves, seals, faucets

## Valves and Pumps

Our pressure valves and pumps ensure system efficiency in water and fluid handling, ideal for residential, industrial, and construction applications.

- Pressure relief and regulating valves
- Positive displacement and submersible pumps

## Finishing Materials

We offer finishing materials that enhance both the aesthetic appeal and durability of any space, from flooring to wall finishes. These materials are selected for quality and performance.

- Flooring: hardwood, vinyl, ceramic tiles
- Wall finishes: paints, wallpapers, plaster
- Cladding materials: wood, metal, vinyl
- Gypsum boards, epoxy finishing

## Air Conditioning & HVAC Equipment

We provide energy-efficient air conditioning and HVAC systems for various sectors, with accessories to ensure optimal performance. Our solutions meet both residential and commercial needs.

- Split system, window, and ducted AC
- Portable, VRF/VRV systems, and cassette AC
- Thermostats, air filters, ducting, condensate pumps
- Refrigerants, ventilation grills, diffusers

## IT & Networking Equipment & Accessories

UNITED MODE TRADING offers IT and networking solutions for businesses of all sizes, ensuring reliable and scalable products for smooth operations.

- Laptops, desktops, servers,
- Switches, routers, firewalls, cables, connectors

## Waterproofing & Thermal Insulation Materials

We provide advanced waterproofing and thermal insulation materials to protect structures from water damage and temperature fluctuations. These products ensure long-lasting performance and energy efficiency.

- Bituminous, PVC, EPDM, and HDPE membranes
- Cementitious waterproofing, sealants, and flashing
- Thermal insulation boards and reflective materials

## General Hardware, Tools & Accessories

We offer a variety of hardware, tools, and accessories for construction, industrial, and event projects, ensuring efficiency and safety in all tasks.

- Hand tools (hammers, screwdrivers, pliers)
- Power tools (drills, saws, grinders)
- Fasteners, ladders, and general hardware (locks, brackets)

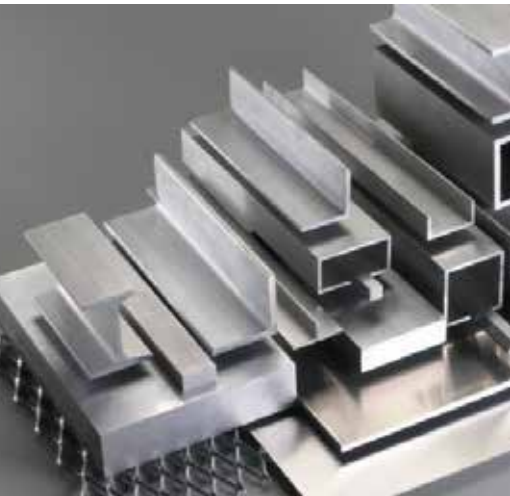

## Events and Exhibition Supplies

UNITED MODE TRADING provides a full range of event supplies to support successful event execution, from corporate conferences to public gatherings. Our products ensure smooth operations and safety.

- Event production supplies, hospitality items
- Crowd control barriers, temporary fencing, police barriers
- Traffic cones, cable ramps, stickers, signage, carpets
- First aid kits, PPE, cleaning supplies

## Used & Modified Containers

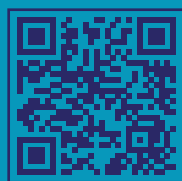

We offer used and modified containers in a variety of sizes, including 10ft, 20ft, and 40ft, for various uses such as offices, storage, and restrooms. These containers are easily customized for specific needs.

- Offices, restrooms (VIP and accessible), warehouses
- Guard rooms, masjids (portable prayer spaces)

Thank you for considering **UNITED MODE TRADING** as your trusted partner.

We are committed to delivering required materials with unparalleled reliability and precision, ensuring that your projects are completed on time and to the highest industry standards. Our focus is on fostering long-term, strategic partnerships built on trust, efficiency, and excellence. We look forward to collaborating with you and supporting your organization's continued success.
